Urgent Care

Medical care when you need it, where you need it.

When you need care quickly for a non-life-threatening problem, Urgent Care is here to help. With shorter wait times than the emergency room, it's a convenient option if you can't see your doctor soon enough.

Need help deciding if Urgent Care is the right choice? Call our Nurse Advice Line at **855-798-3540**. Our nurses can also provide nearby locations for your convenience. **For life-threatening emergencies, call 911 or go to the nearest emergency room immediately.**

MedStar Urgent Care also offers flu shots and school sports physicals. Walk-ins are welcome, but we recommend using our online check-in to save your spot and choose an arrival time that works for you.

Urgent Care Hours: Open daily, 8:00 a.m. to 8:00 p.m.
No appointment is needed—just care when and where you need it.
