**PROVIDER ALERT: VALUE-BASED CARE LEARNING COLLABORATIVE
(IMPROVING QUALITY, OUTCOMES, AND VALUE IN HEALTH CARE)**

MedStar Family Choice District of Columbia wants to make you aware of HMA's year-long learning collaborative where you will learn about Medicaid value-based payment (VBP) arrangements in the District of Columbia, how these VBP programs apply to your practice, and how to work toward improving care and outcomes tied to payment.

After engaging in an initial general session to better understand VBP, participants will complete an assessment to facilitate enrollment into one of three content-specific tracks to deep-dive into improving a VBP metric:

- **Track 1: Pediatric Care: Well-child Visits** (Lead: [Kelli Stannard, BSN, RN \[healthmanagement.com\]](#))
- **Track 2: Care of Acute and Chronic Conditions: Potentially Preventable Admissions** (Lead: [Melita Ellis King MD, MA \[healthmanagement.com\]](#))
- **Track 3: Maternity Care: Timeliness of Prenatal and Postpartum Care** (Lead: [Elizabeth Wolff, MD, MPA \[healthmanagement.com\]](#))

Target Audience:

This learning collaborative is ideal for Medicaid providers interested but not participating in VBP with a Medicaid managed care plan (MCP) and those Medicaid providers already participating in VBP with an MCP.

To learn more, please join one of the initial sessions:

- [Register for Tuesday, June 11, 10-11am](#)
- [Register for Thursday, June 20, 12-1pm](#)

If interested, but unable to attend the June 11 or June 20 session, please [provide your contact information](#) and specify your interest in the Value-Based Care Learning Collaborative. HMA will follow up with you on additional opportunities to participate in the initial session. For questions, you can also email HMA at support@integratedcaredc.com or visit HMA's [Value-Based Care Learning Collaborative webpage \[integratedcaredc.com\]](#) for periodic updates.
